

Siu-Ka-Pha Multispeciality Hospital, Rajbari, and NTEP, Sivasagar signs memorandum of understanding for performing (RTPCR) diagnosis of tuberculosis at a discounted rate. People can now avail the opportunity to diagnose TB at a discounted rate and also Siu-Ka-Pha Hospital will be involved in the surveillance of Tb among tea garden workers in association with NTEP, Sivasagar.

Dr. Gautam Das, CEO of Siu-Ka-Pha Hospital has mentioned, "Siu-Ka-Pha Hospital has always believed that healthcare for the community is of utmost importance and has always participated in awareness and preventive health campaigns. This campaign is specially directed towards diagnosis of TB and surveillance keeping in mind the high prevalence rate of these diseases and it hopes to work together with Govt. in terms of many more health products and awareness campaigns."
